

Conference Program CHINA MINING 2010

Draft Version Subject to Change

Tuesday, November 16, 2010	
	Plenary Session - Conference Hall N7 (1st Floor))
08:30-09:00	Doors Open to Official Opening of CHINA MINING 2010
09:00-10:00	CHINA MINING Congress and Expo 2010 Opening Ceremony (Chair: Yun Xiaosu, Deputy Minister of Land and Resources, China)
	• Opening Remarks from Li Keqiang, Vice Premier of the State Council, P.R.C. presented by Xu Shaoshi, Minister of Land and Resources, China
	• Huang Xingguo, Mayor of Tianjin
	• H.E. David Mulroney, Ambassador of Canada to the People's Republic of China
	• Australian Ambassador to the People's Republic of China
	• South African Ambassador to China, South African Embassy
	• The World Bank
10:00-10:30	Coffee Break
10:30-12:30	Keynote Session on the theme of CHINA MINING 2010: World and China in Mining Consolidation: Co-operation, Responsibility and Development (Chair: Yun Xiaosu, Deputy Minister of Land and Resources, China)
	Senior government representatives, industry leaders and economists present keynote speeches on the theme of CHINA MINING 2010: World and China in Mining Consolidation: Co-operation, Responsibility and Development
	• Wang Min, Deputy Minister of Land and Resources, China
	• Representative from Ministry of Science and Technology, China
	• Representative from Ministry of Commerce, China
	• Representative from Ministry of Environmental Protection, China
	• Representative from China National Development Bank
	• Representative from The Export-Import Bank of China
	• Representative from Bank of China
• Tan Yaling, Senior Researcher, Bank of China	
	• Vincent Koen, Senior Economist, The Organisation for Economic Co-Operation and Development (OECD)
12:30-14:00	Lunch

	Breakout Session 1 Conference Room N209, N211 (2nd Floor)	Breakout Session 2 Conference Room N210 (2nd Floor)	Breakout Session 3 Conference Room N212 (2nd Floor)	Breakout Session 4 Conference Room N215, N217 (2nd Floor)	Breakout Session 5 Conference Room N216, N218 (2nd Floor)	Breakout Session 6 Conference Room N214 (2nd Floor)
	Mining Development, Capital and Finance (1)	Mining in Canada	Mining Commodity Forum Uranium	Round Table Discussion: Mining Rights Regulations and Policy in China	China Geological Survey Forum (1)	Company Presentation (1)
	<p>© Analyzing mining companies' demand for capital during different development stages and how to choose the financing approach;</p> <p>© Case study on how the companies to use the financial capital;</p> <p>© Forecasting the future integration and M&A trends in China's mining sector;</p> <p>© Comparing the difference between China and the International capital market;</p> <p>© Examining mining companies' profile and stock performance as well as understand the criteria that miners must meet to be</p>	Government representatives will talk about mining, exploration and FDI in Canada.	<p>© Analysing Chinese energy strategy and mapping out China's demand in uranium;</p> <p>© China's National Resources Reserve on uranium and its impact on the future price at the international market</p> <p>© Examining China's short-mid term outsourcing plan to meet uranium demand;</p> <p>© Accessing prospecting and M&A policy overseas</p>	Chinese government regulators and industry leaders' round table discussion regarding to mining rights regulations and policy in China	<p>© Updating on the latest development in Chinese geological survey</p> <p>© Updating on the progress in mineral resource assessment in China during past 12 years</p> <p>© Exhibiting the newly discovered minerals' deposit in China and new approaches and technologies in Chinese geological survey in the past ten years</p>	Representatives of mining companies will introduce their company, latest projects and developments.
14:00-15:30	<ul style="list-style-type: none"> Amy Cheng, Managing Director, Head of Natural Resource BOC International 	<ul style="list-style-type: none"> Natural Resources Canada 	<ul style="list-style-type: none"> Lv Xiaoming, Head of Nuclear Fuel Division, Department of System Engineering, China Atomic Energy Authority 			<ul style="list-style-type: none"> Teo Dechev, President and CEO, Mundoro Mining Inc.
	<ul style="list-style-type: none"> Owen Hegarty, Vice Chairman, CST Mining Group Ltd: Identifying Opportunities and Risks in the Mining Industry Going Forward 	<ul style="list-style-type: none"> Jay Fredericks, Director, Mineral Development, Government of British Columbia, Ministry of Energy, Mines and Petroleum Resources: Opportunities to Explore British Columbia 	<ul style="list-style-type: none"> Gary Delaney, Chief Geologist, Saskatchewan Geological Survey, Saskatchewan Ministry of Energy and Resources: Update on Uranium Mining and Exploration, Athabasca Basin, Saskatchewan, Canada 			<ul style="list-style-type: none"> Richard Wolanski, Executive Director, NiPlats Australia Ltd
		<ul style="list-style-type: none"> Dr. Harvey Brooks, Deputy Minister, Yukon Government – Department of Economic Development 	<ul style="list-style-type: none"> Chen Yuehui, Deputy General Manager, China Uranium Corporation Limited, China National Nuclear Corporation 			<ul style="list-style-type: none"> Tony Schoer, Managing Director & CEO, Pluton Resources Ltd
		<ul style="list-style-type: none"> Mr. Hal Sanders, Assistant Deputy Minister, Saskatchewan Energy and Resources 	<ul style="list-style-type: none"> Ted Tyne, Director, Mineral Resources, Department of Primary Industries and Resources South Australia – Minerals and Energy Resources: Uranium Exploration, mining and investment – South Australia's perspective 			
		<ul style="list-style-type: none"> New Foundland 				

15:30-16:00 Coffee Break						
	Mining Development, Capital and Finance (2)	Mining in Australia	Mining Commodity Forum Iron Ore	Geodata Utilization	China Geological Survey Forum (2)	Company Presentation (2)
	<ul style="list-style-type: none"> ◎ Case Study on how to use financial instruments to avoid the fluctuations in commodity prices ◎ Accessing the ways to establish of mining investment fund in China and outlining its vision ◎ Featuring the mining sector of worldwide stock markets and development trends 	Government representatives will talk about mining, exploration and FDI in Australia.	<ul style="list-style-type: none"> ◎ Analysis global supply in iron ore and outlook China's demand; ◎ Mapping out China's sourcing strategy ◎ Discussing whether M&A abroad is the only option for China to overcome the barrier in iron ore supply ◎ Presenting insights from the major iron-ore trader, organization and market intellegent agency 	Government and Company representatives will discuss the Utilization of Geo Data.	<ul style="list-style-type: none"> ◎ Updating on the progress in assessment of Chinese mineral resources potential ◎ Introducing the utilization of geodata ◎ Examing the planning and deployment of China geological survey 	Representatives of mining companies will introduce their company, latest projects and developments.
	• Chen Zongsheng, Vice Secretary General, Tianjin Municipal Government	• Honorable Paul Holloway, Minister for Mineral Resources Development, Government of South Australia: Ministerial Opening Address	• Jiao Yushu, Advisor to Metallurgical Mines' Association of China and China National Development Bank	• Gary Delaney, Chief Geologist, Saskatchewan Geological Survey, Saskatchewan Ministry of Energy and Resources: Data Management and Distribution at the Saskatchewan Geological Survey, Saskatchewan, Canada		• Centaurus Metals Limited
	• Li Ji, General Manager, Tianjin Mining Exchange	• James Johnson, Deputy Chief Executive Officer, Geoscience Australia	• John Johnson, CEO, CRU China			• Hancock Prospecting Pty Ltd
	• Huang Minghua, Managing Director, Investment Banking, Bank of China International	• Richard Sellers, Director General, Department of Mines and Petroleum Western Australia	• Kuang Zhongxiang, International Resources Development and Investment Co., Wuahn Iron and Steel Group			• John Lee, Chairman, Prophecy Resource Corp.
16:00-18:00	• Wang Hongying, Executive Vice-President, CIFCO Institute of Research: Case Analysis – How To Use Financial Instrument To Cover The Risk of Commodity Price Fluctuation	• Tim Baker, Geological Survey Manager, Department of Primary Industry and Resources South Australia: South Australia & Northern Territory - Exploration and Mining Opportunities in the Centre of Australia	• David Flanagan, Managing Director, Atlas Iron Ltd: Australian junior's as an alternate iron ore supplier			• Carbones del Golfo: CDG – A coal mining opportunity in Colombia
	Panel Discussion: Panelists: All the speakers in Mining Development, Capital and Finance (1) and (2) and other invited guests	• Adele Seymon, Acting Manager - Resources, GeoScience Victoria, Department of Primary Industries: Earth resource investment opportunities in South East Australia	• Zeng Jiasheng, Senior Analyst, Mysteel Research Institute			

		<ul style="list-style-type: none"> • Dave Mason, General Manager, Geological Survey of Queensland, Department of Employment, Economic Development and Innovation: Mineral developments and investment opportunities in eastern Australia: Queensland 	Panel Discussion: Panelists: Above speakers and other invited guests			
		<ul style="list-style-type: none"> • Norman Ting, Director, China Region, Ausenco: Review the Technical and Economic Feasibility of the Chinese Oversea Investment on 				
18:00	Welcome Cocktail					

Wednesday, November 17, 2010

Plenary Session - Conference Room N209, N211 (2nd Floor)

09:00-10:30

- Keynote Session (2): The Ministers' Forum (Chair: Wang Min, Deputy Minister, China, Ministry of Land & Resources, China)
Foreign Mining/Resources Ministers introducing policies, investor opportunities and industry trends in mining development, acquisition and international co-operation
- Hon. Anil Arora, Assistant Deputy Minister, Natural Resources Canada
 - Mr. Jorge Mayoral, Secretary of Mining of Argentina
 - Hon. Iván Martínez Leyet, Vice Minister of Mining and Nickel of the Ministry of the Basic Industry of Cuba
 - Hon. Abd Elbagi Gialani Ahmed, Minister of Mines, Sudan
 - Hon. Maxwell M.B. Mwale, MP., Minister of Mines and Mineral Development, Zambia
 - Hon. Vijay Kumar, Deputy Minister of Mines, India
 - Azim Ibrohim, Head, Head Department of Geology under the Government of the Republic of Tajikistan
 - Hon. Joaquin David, Minister of Geology and Mines, Angola
 - Hon. Soulivong Daravong, Minister of Energy and Mining, Laos
 - Hon. Ahmed Haj Ali, Minister of Energy and Mines, Eritrea

10:30-11:00

Coffee break

11:00-13:00

- Keynote Session (3): Mining Development Forum (Chair: Zhang Hongtao, Chief Engineer, Ministry of Land and Resources, China)
Senior leading company representatives discuss the global mining development trend and company strategies at the global market place
- Zhou Zhongshu, President, China Minmetals Corporation
 - Xiong Weiping, President, Chalco
 - Sun Zhaoxue, General Manager, China National Gold Group Corporation
 - BOC International Holdings Limited
 - Wu Yongping, President, Datong Coal Mine Group
 - Richard C. Adkerson, President and CEO, Freeport McMoRan
 - Wang Jianhua, President, Shandong Gold Group
 - Eldorado Gold Corporation
 - Weng Zhanbin, General Manager, Shandong Zhaojin Group
 - Andrew King, Chief Executive Officer, Standard Bank Asia Limited
 - Chen Jinghe, President, Zijin Mining Group

13:00-14:00

Lunch

	Breakout Session 1 Conference Room N209, N211 (2nd Floor)	Breakout Session 2 Conference Room N210 (2nd Floor)	Breakout Session 3 Conference Room N212 (2nd Floor)	Breakout Session 4 Conference Room N215, N217 (2nd Floor)	Breakout Session 5 Conference Room N216, N218 (2nd Floor)	Breakout Session 6 Conference Room N214 (2nd Floor)
	Global Mining Exploration Analysis	Mining in Latin America	International Copper Resources and Market	Mining in Sudan	Sustainable Mining (1) Safety, Health and Environment	Aluminum Forum
	<ul style="list-style-type: none"> ◎ Outlining the newly exploration on mineral deposit ◎ Analysing the global investment trends in exploration and mine expansion ◎ Mapping out the ongoing and potential prospecting and exploration sites in the world's mining jurisdictions; ◎ Experts will talk about Global Exploration Markets and Trends 	Government and service providers will talk about mining, exploration and FDI in Latin America.	Discuss with COCHILCO about the status of international copper market and supply and demand trends	Government and service providers will talk about mining, exploration and FDI in Sudan.	<ul style="list-style-type: none"> ◎ Reviewing the Chinese regulations and policy in mine safety ◎ Presenting the status, development trend of international mine safety and health and case study ◎ Analysing workplace hazards to assess their potential risks to health, and to determine appropriate control measures to protect the health and wellbeing of mine workers ◎ Assessing the impact of mining development on eco-environment and discussing the protecting solutions ◎ Discussing mine environment protection and solutions 	<ul style="list-style-type: none"> ◎ Reviewing and prospecting the factors affect Aluminum price ◎ Supply and demand of the Aluminum raw material; ◎ Examining China capacity in aluminum production; ◎ Accessing the sustainability of the global aluminium production;
14:00-15:30	• Liu Yikang, Deputy Secretary General, China Mining Association	• Mr. Charles Tang, Chairman, Brazil China Chamber of Commerce	• Simon Hunt, CEO, Simon Hunt (Strategic Services) Ltd		• Larry J. Moore, Corporate Principal Engineer, Mining and Metallurgical Refining, FM Global: Mining Risks and the Impact of Best Practice Asset Protection on Sustainability	• Chalco
	• Magnus Ericsson, Chairman, Raw Materials Group	• Cuba			• Bruce Dowsett, Manager Virtual Reality Training, Coal Services Pty Limited: Application of Virtual Reality Training for the Mining Industry - "Training for Tomorrow"	• Chen Jinya, President, Alcoa Asia
	• Bakes Mitchell, Vice President Sales, Metals Economics Group	• Peru			• Dr. Robert R. Seal, Chief of Development of Mineral-Environmental Assessment Methods, US Geological Survey	• Ron Knapp, Secretary General, International Aluminium Institute
		• Mexico			• Zhou Bo, Deputy General Manager, Hebei Huao Mining Industry Co Limited: Caijiaying Zinc Mine – a case example of protection of natural environment and promotion of social environment	• Rusal

15:30-16:00 Coffee Break						
	China's Overseas Investment in Mining – Financial Aspects	Mining in Aisa (Exclude China)	Mining Commodity Forum Base Metal	Mining Technology and Equipment	Sustainable Mining (2) - CSR, Low Carbon and Environment Protection	Mining in Argentina
	<ul style="list-style-type: none"> ◎ Outlining the demand for outbound mining exploration and development ◎ Examining how to use the capital market for outbound mining exploration and development ◎ Examining the risk and how to control the risk during outbound mining exploration and development 	Government and service providers will talk about mining, exploration and FDI in Asia.	<ul style="list-style-type: none"> Lead, Zinc and Nickel ◎ Forecasting the global lead, zinc and nickel market and china's demand ◎ Reviewing and prospecting the factors affect lead, zinc and nickel price ◎ Outlining the global lead, zinc and nickel exploartion and mining projects ◎ Discussing the development of ferronickel in China 	CHINA MINING 2010 offers a platform for companies and experts to present their latest technical innovations and equipments in exploration and mining.	<ul style="list-style-type: none"> ◎ Optimising positive impacts of mining operations through sustainable plan in local community to achieve social-economic development; ◎ Accessing Innovative technology/process to reduce carbon footprint and greenhouse emissions; ◎ Case Study on Corporation Social Responsibility 	Government and service providers will talk about mining, exploration and FDI in Argentina.
	• Patricia M. Mohr, Vice-President, Economics & Commodity Market Specialist, Scotia Capital: China's Strategic Investment Overseas to Meet Its Growing Demand for Metals &	• Nikolay Matyash, Executive Director, The Mining Advisory Council	• Don Smale, Secretary General, International Lead & Zince Study Group: Recent and Prospective Global Lead and Zinc Developments	• Wang Dianzuo, Academician of the Chinese Academy of Sciences, Mineral Engineering Scientist	• Richard Taylor, Group Manager Corporate Affairs for Asia, MINERALS AND METALS GROUP (MMG) / International Council on Mining and Metals - ICMM: The Challenge of	
16:00-18:00	• George Fang, Managing Director, Mining and Metals, Standard Bank Asia Limited	• India	• Zhao Cuiqing, Director, Lead and Zinc Branch, China Non-ferrous Metal Industry Association	• Metso Minerals	• Cui Lun, Deputy General Manager, Shandong Gold Group: The sustainable development of Non-ferrous	
	• Professor Luo Zhongwei, Institute of Industrial Economics, Chinese Academy of Social Sciences	• Mongolia	• Steve Barnett, President, International Nickel Institute: Nickel its Uses and Properties	• Tang Changzhong, President, Beijing SD Science & Technology Development Co., Ltd	• Corinne Boone, Global Managing Director, Environment & Community Interface, Hatch: Sustainability	
	• Keith N. Spence, President, Global Mining Capital Corporation & Director of the Board, PDAC	• Philippines	• David Wilson, Director, Metals Research. Société Générale	• Neil Shaw, Beijing Yonggui Technology Co,Ltd	• Zhou Weidong, China Director, Business for Social Responsibility (BSR) : Social License: Cornerstone for Chinese Mining Company	
			• Julian Hanna, Managing Director, Western Areas NL: Developing High Grade, Low Cost, Long Life Nickel Mines	• James Wen, Marketing Manager, Orica (Weihai) Explosives Co Ltd.		
				• Jean Richardson, Director Global Marketing, SGS: Mitigating Energy Risks in the Mining Sector - Best Practice Implementation and		
18:00	Pre-Awards Cocktail					
18:30	CHINA MINING Awards Dinner					

			<ul style="list-style-type: none"> • Marino G. Pieterse, Goldletter International: The shift in the global gold market from traditional countries to emerging countries, led by China
10:30-11:00	Coffee Break		
11:00-12:30	China Outbound Mining Investment Strategy and Services - Panel Discussion	Mining in China	Mining Commodity Forum Potash and REE
	<ul style="list-style-type: none"> © Reviewing and outlooking the trends of Chinese outbound mining investment at the global market place; © Introducing successful outbound investment strategies © Examining challenges and opportunities in overseas mining jurisdictions © Accessing the strategies for outbound investment in the mining industry, incl. financing, accounting & taxation, law, HR, consulting, information research, due diligence and others that are important to ensure the successful outbound 	Government representatives from different Chinese provinces and regions as well as experts will talk about mining, exploration and FDI in China.	<ul style="list-style-type: none"> © Introducing the exploration status of world potash and its supply & demand characteristics © Outlining the supply & demand characteristics of potash in China © Examining the status of overseas potash exploration and development
	Panel Discussion: Panelists: All the speakers and other invited guests: <ul style="list-style-type: none"> • Xu Hanjing, Eldorado Gold Corporation; • Norman Ting, Director, China Region, Ausenco 	• Tianjin North China Geological Exploration Bureau	• Zheng Mianping, Academician, China Academy of Engineering, Institute of Mineral Resources Chinese Academy of Geological Sciences and Vice president of International Society for Salt Lake Research
		• Department of Land and Resources of Shandong Province	• Gary Delaney, Chief Geologist, Saskatchewan Geological Survey, Saskatchewan Ministry of Energy and Resources: Potash in Saskatchewan, An Update
			• Yuan Junchong, Secretary-General, China Chemical Mining Association
		• Jack Lifton, Co-founder and Director of Technology Metals	
		• Gary Billingsley, Chairman, Great Western Minerals Group	
12:30-14:00	Lunch
