

**INAUGURAL INTERNATIONAL CONFERENCE
IN CRISIS & EMERGENCY MANAGEMENT**

**CRISIS & EMERGENCY
MANAGEMENT
CONFERENCE**

2006

1-2 June, 2006

**Arena Joondalup
Western Australia**

This two-day conference will be opened by the Hon. Michelle H Roberts - Minister for Police and Emergency Services; Community Safety and will include ground breaking presentations on new and emerging issues in the following areas:

PREVENTION

Legislation (Political, State, Federal). Changes to legislation. Issues affecting our legislation, eg terrorism.

PREPAREDNESS

Corporate and public emergency planning, training and facilities.

RESPONSE

The latest response and rescue equipment and systems from around the world.

RECOVERY

Recovery issues. Business continuity and recovery, public and community recovery plans and arrangements.

This 3 day inaugural international event incorporates a two-day conference featuring presentations by experts in crisis and emergency management, speakers will also include representatives from FESA. Hear first hand accounts of major global emergencies and disasters, understand the lessons learned.

An exhibition showcasing the latest products and services on offer to the crisis and emergency industry will be held in conjunction with the two-day conference.

Following the conference will be the **Inaugural IFAP Emergency Response Games** on **Saturday 3 June**.
