#### **About the Conference**

Copper is one of the oldest metals used by man and the one with arguably the greatest utility in terms of social development. Australia is one of the world's leading copper suppliers and has distinct advantages over some of its major competitors when it comes to being in a position to meet the world's growing needs.

Future global demand will be driven by the modernisation of China and the Indian sub-continent, which gives Australian companies a visible edge in being the supplier of choice to these markets and a window of opportunity commensurate with the profile of bringing a copper resource into production.

Australia has a world class endowment of copper and more importantly has tremendous upside potential to make new discoveries, similar in stature to the renowned Olympic Dam resource. This multi-mineral ore body is the world's fourth largest remaining copper deposit, fifth largest gold deposit and the largest uranium deposit. These plays, combined with the proven resources of the copper rich Mt Isa region and exciting new discoveries noticely underexplored areas, point to a bright future for companies actively involved in the sector.

Following the success of the inaugural 2010 Australian Copper Conference we expect our 2011 event to be even bigger and better, with a range of international, industry and company presentations.

The 2011 Australian Copper Conference brings together Australia's leading players in the copper mining sector with an audience of industry experts and bona-fide retail investors eager to discover who the big winners will be in this valuable market sector going forward.

### Registration

Early Bird Registration (applicable until 11 February 2011)

\$770.00 (incl. GST)

Standard Registration (applicable after 11 February 2011)

\$880.00 (incl. GST)

Registration is available online by following the links to the conference website from www.verticalevents.com.au. Alternatively you can complete the registration form on the back of this brochure and return to Vertical Events.

#### **Exhibition Area**

The Australian Copper Conference will once again be complemented by an exhibition area. This area will be open to delegates for the duration of the conference as the networking hub of the event. It will also host lunches and tea breaks on both days as well as the Conference Cocktail Function on Wednesday 23 March 2011.

A limited number of exhibition booths are still available. If you are interested in obtaining a booth, please contact Doug Bowie on (61 8) 9388 2222 for more information.

#### Venue

Positioned in one of the city's most central locations is the magnificent Sofitel Brisbane Central. Originally the first international hotel in Brisbane, today you will discover a hotel of refined elegance and truly personal service. It is renowned for its imposing arrival, extraordinary conference facilities and breathtaking views.

## Accommodation

Accommodation has been reserved as a group block at the conference venue, Sofitel Brisbane Central. Discounted rates start from \$235.00 (incl. GST) per room per night.

Bookings can be made directly with the venue by downloading the Accommodation Booking Form from the conference website and returning to Accommodation Reservations at the hotel. To access this form and contact details for Accommodation Reservations please follow the links to the conference website via www.verticalevents.com.au.

Accommodation reservations are subject to availability. Please note accommodation at the venue fills quickly and we recommend booking at your earliest convenience to avoid disappointment.

### **Queensland Resources Council Breakfast**

The Queensland Exploration Council extends an invitation to Australian Copper Conference delegates to join them for breakfast at the Brisbane Hilton Hotel, Elizabeth Street, on Thursday 24 March.

The Queensland Exploration Council's goal is to position Queensland as Austràlia's exploration leader with Brisbane as its epicentre for investment, services and support.

This is your opportunity to hear the Queensland Exploration Council's agenda and meet the highly talented people from all walks of life who have come together to launch the next exciting chapter in the history of Queensland's resource sector industries.

For more information and booking details, click on the Events Calendar at the Queensland Resources Council website: www.qrc.org.au.
