Please note that this breakfast is not a component of the Mining 2011 Resources Convention and seats must be booked through the QRC website.

THE 2011 MINING BALL

28 OCTOBER 2011

Dear Mining Colleague

There's a distinct African essence to this year's Mining Ball...and we don't just mean by having a wild time!

You are cordially invited to bring your djembe, and attend the Australian mining community's social event, the 2011 Mining Ball.

Last year's Mining Ball raised plenty of rands, dinars, birrs and kwachas totalling over \$30,000, for the Royal Flying Doctor Service, and hopefully together we will surpass that this year.

The 2011 Mining Ball will be held in conjunction with the Mining 2011 Resources Convention and is your chance to enjoy a great time with partners, staff, clients, and customers, and celebrate the important role they all play in our industry.

Your ticket includes a premium three-course dinner, superb beverages, dazzling entertainment and a fabulous door prize to be won.

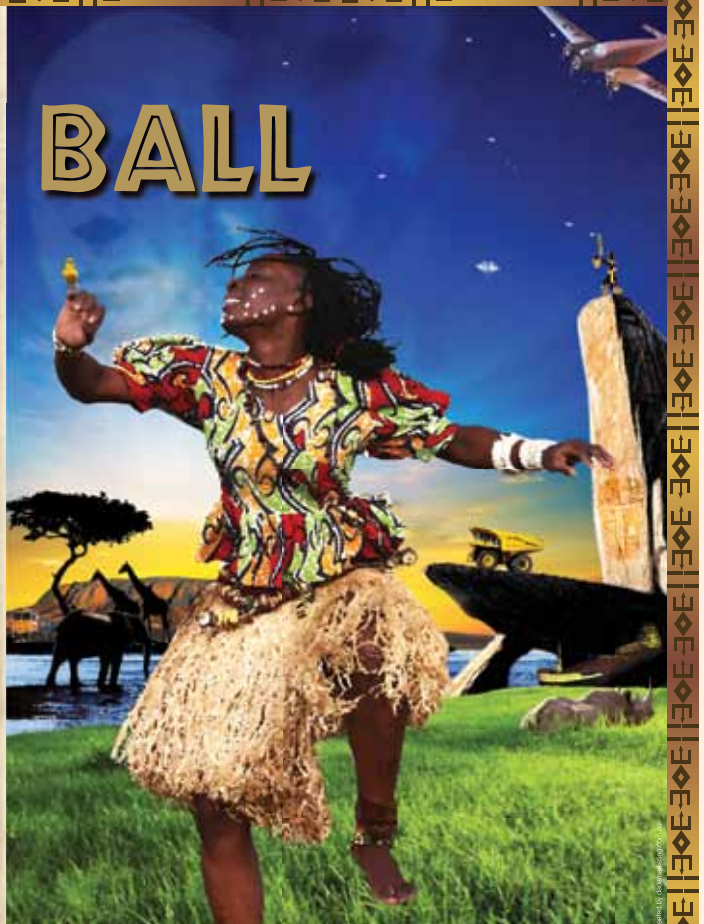

The cost is only \$190/person or \$2,200 for a corporate table of 10. For further information or to secure your ticket or corporate sponsorship, please contact Choty goty Cheryl Kearney.

Where: Hall 4, Brisbane Convention & Exhibition Centre, Corner Merivale & Glenelg Street South Brisbane, Queensland
Date: 28 October 2011
Time: 7pm for 7.30pm
Dress: Evening

Queensland Exploration Council

QRC and its Exploration Committee had pursued a wide-ranging action agenda for the exploration industry over several years. This work culminated in the development of the QRC's *Exploration Vision 2020* which was formally launched in October 2010. The vision quite simply is for Queensland to be an exploration leader by 2020, with Brisbane at its heart. A dedicated group to drive this Vision forward, the Queensland Exploration Council (QEC) was born as a result of QRC successfully attracting an influential group of 'friends of exploration' to join in this campaign.

QEC, started meeting in December 2010 and was formally launched in March this year. QEC is chaired by respected recently retired deputy Co-ordinator General (and former junior resource company executive) Dr Geoff Dickie and features a who's who of the resources world, drawn from major and junior resource companies, government, events and marketing, broking and finance, accounting, legal, academia and research organisations.

The QEC operates through quarterly plenary meetings and through five working groups:

- Events and promotion
- Education and research – investors
- Education and research – academic
- Vision 2020 Scorecard
- Head office and investment attraction

brisbane

brisbane

australia's new world city

Nestled in the south-east corner of Queensland in the heart of one of Australia's fastest growing regions, Brisbane is Australia's new world city; a modern, vibrant destination.

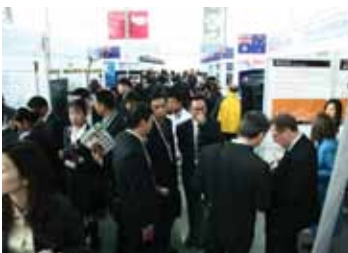

A visit to Brisbane is a chance to immerse yourself in a cosmopolitan city with a friendly attitude, superb weather and an exceptional natural environment. It's a city where delegates can embrace the local life and immerse themselves in a warm and welcoming environment and a range of recreational pursuits.

Alongside world-class art galleries and a vibrant urban precinct culture, there's a wide variety of wining, dining and shopping experiences to be enjoyed. A year-round promise of sunshine, 1,800+ parks and reserves and more than 500 kilometres of bikeways also set the scene for stunning outdoor activities. Whether you choose to swim in Australia's only inner-city beach at the famed South Bank Parklands, cruise the river in a kayak, climb the Story Bridge or escape to Moreton Bay and its islands for aquatic adventures and dolphin feeding, Brisbane will deliver an unforgettable travel experience.

For more information on Brisbane, Australia's New World City please visit www.visitbrisbane.com.au.

CHINA MINING

CHINA MINING 中国国际矿业大会

CHINA MINING Congress & Expo, one of the world's premier mining congress and exhibitions and one of the four world's top mining events, has truly become Asia's largest mineral exploration and mining trading platform. It plays a critical role in creating communications and opportunities for Chinese domestic and international mining interests.

Over the years, CHINA MINING Congress & Expo has developed into one of the premier mining trade shows in the world. In 2011, the Congress & Expo will be celebrating the 13th annual event at Tianjin Meijing Convention Center, the hosting venue of Davos World Economic Forum 2011.

CHINA MINING Congress & Expo consists of three parts – the conference, the exhibition and the featured events. Last year the CHINA MINING Congress & Expo attracted almost 4,500 delegates from 57 countries and regions, as well as over 150 media outlets worldwide.

As part of seven years of history, Vertical Events will once again be the Australian Agent for the event; setting up the Australian Pavilion and providing both before conference and onsite support for all Australian attendees at the event.
