AUSIMM AND THE QRC PRESENT,

# Hard Hats & Tiaras

RESOURCE SECTOR BALL

The AusIMM Southern Queensland Branch and Queensland Resources Council proudly present the inaugural Hard Hats and Tiaras Resource Sector Ball to be held on Friday 2 November.

It is a new era for the mining ball run for the past seven years by AusIMM as a fund raiser for the Royal Flying Doctor Service. The AusIMM and QRC see this as a key opportunity to assist people in remote communities throughout Australia in which many of its members and members' employees and their families work or reside.

Upwards of 1,000 people are expected to attend the new look ball, which will top off a week of resource sector activities at the Mining 2012 Resources Convention.

Rhonda Burchmore, one of Australia's leading entertainers, will compère the evening and perform between dance music provided by one of Brisbane's leading bands. A cocktail event featuring live music will get the evening off to a flying start while guests enjoy a display of Snowden's mining photography competition.

A presentation of a big cheque to the RFDS from funds raised through the ball will take place during the evening, which promises to provide a highly entertaining time and plenty of opportunities for people in the sector to network and catch up.

Naming rights and other sponsorship opportunities are still available for this high profile event. For more information please contact Caroline Morrissey on 07 3295 9560 or [carolinem@qrc.org.au](mailto:carolinem@qrc.org.au).
