Day
1

Tuesday 16 July 2013

9.00am **Opening Address**
Doug Bowie - Manager, Resources
Vertical Events

9.10am **Official Opening**
Hon. Bill Marmion MLA BE MBA -
Minister for Mines and Petroleum;
Housing
Western Australian Parliament

9.30am **Market Update**
Matthew Keane - Metals and Mining
Research Analyst
Argonaut Securities

9.50am **Federal Opposition Address**
Senator Mathias Cormann - Shadow
Assistant Treasurer, Shadow
Minister for Financial Services and
Superannuation, Senator for Western
Australia
Liberal Party of Australia

10.10am **Prospects for Southeast Asian
Nuclear Energy**
Dr Hooman Peimani - Principal Fellow,
Energy Security Division
Energy Studies Institute
National University of Singapore

10.30am MORNING TEA

11.10am **Marenica Energy Ltd MEY**
Murray Hill - Chief Executive Officer

11.30am **Peninsula Energy Limited PEN**
Gus Simpson - Executive Chairman

11.50am **Alliance Resources Ltd AGS**
Steve Johnston - Managing Director

12.10pm **Market Impact on Uranium Funding
and Transitions**
Adam Myers - Corporate Finance
Partner
BDO

12.30pm LUNCH

1.30pm **Manhattan Corporation Ltd MHC**
Alan Eggers - Executive Chairman

1.50pm **Arafura Resources Ltd ARU**
Chris Tonkin - Chief Executive Officer

2.10pm **Energia Minerals Limited EMX**
Kim Robinson - Managing Director

2.30pm **Laramide Resources Ltd LAM**
Peter Mullens - Vice President,
Exploration & Business Development

2.50pm **'Normalising' the Uranium Industry
in Australia**
Amanda Walker - Communication
Manager
Australian Uranium Association

3.10pm AFTERNOON TEA

3.40pm **Cauldron Energy Ltd CXU**
Simon Youds - Head of Operations

4.00pm **Strategic Opportunities in the
Uranium Market**
Bahi Sivalingam - Director, Business
Development
TradeTech, LLC

4.20pm **Energy and Minerals EMA**
Australia Ltd
Julian Tapp - Chief Executive Officer
& Executive Director

4.40pm **Cameco Australia**
Brian Reilly - Managing Director

5.00pm **Imouraren, the Next Uranium Mine
in Africa**
Christian C. Polak - Strategy,
Development & Partnerships
AREVA MINES

5.20pm DAY ONE CLOSE
**Conference Cocktail Function held
in the Exhibition Area**

11.10am **Australia's Uranium, REE and other Critical Commodities: Uncovering the Potential**

Dr Andy Barnicoat - Chief, Minerals & Natural Hazards Division
Geoscience Australia

11.30am **Update on South Australia's Uranium Exploration and Mining**

Dr Ted Tyne - Executive Director Mineral Resources
Resources and Energy Group, Resource Information, DMITRE

11.50am **Is the Current Drillhole Spacing Sufficient for Defining an Indicated Uranium Resource?**

Louis Voortman - Principle Resource Geologist & Geostatistician
Coffey International Ltd

12.10pm **The Geology and Uranium Mineral Resources and Exploration Potential of the Parana Basin, Paraguay, South America**

Doug Beahm PE PG - Principal Engineer and President
BRS Engineering

12.30pm LUNCH

1.30pm **Process Definition for the Tasman Metals Norra Kärr Deposit, Sweden – Mineralogy, Beneficiation and Downstream Processing**

Chris Griffith - Senior Process Chemist
ANSTO Minerals

1.50pm **The Role and Importance of Government in the Western Australian Uranium and Rare Earth Element Sector**

Tony Bullen - General Manager Tenure and Native Titles
Department of Mines and Petroleum

2.10pm **Introducing RSB Logistic, Specialist Nuclear Freight Forwarder**

Frank Boulton - Director, Class 7 International Pty Ltd
RSB Logistic (a member of Compass International)

2.30pm **Managing Transport**

Anthony O'Brien - Managing Director
Radiation Professionals Pty Ltd

2.50pm **Preliminary Findings on Uranium Extraction from Crystalline Brannerite**

Rorie Gilligan - PhD Student
Murdoch University, School of Engineering and Information Technology

2.50pm AFTERNOON TEA

DAY ONE END OF TECHNICAL AND GOVERNMENT PRESENTATIONS

9.00am What Next for New Generation Supply?

Ian Hiscock - Senior Consultant
CRU Strategies, London

9.20am Some Interesting Developments in the Rare Earth Markets

Professor Daniel Packey - Head of the Department of Mineral and Energy Economics
Curtin University

9.40am Paladin Energy Ltd PDN

John Borshoff - Managing Director & CEO

10.00am Federal Government Address

Hon. Gary Gray AO MP - Minister for Resources and Energy
Parliament of Australia

10.20am SA Government Address

Hon. Tom Koutstantonis - Minister for Mineral Resources and Energy
South Australian Government

10.40am MORNING TEA**11.10am Stonehenge Metals Ltd SHE**

Richard Henning - Executive Chairman

11.30am Anatolia Energy Ltd AEK

Jim Graham - Managing Director

11.50am Deep Yellow Ltd DYL

Greg Cochran - Managing Director

12.10pm The Australian National Radiation Dose Register: A Tool for the Optimisation of Worker Protection

Sarsha Collett - Australian National Radiation Dose Register (ANRDR) Manager

Australian Radiation Protection and Nuclear Safety Agency (ARPANSA)

12.30pm LUNCH**1.30pm Global Mining, Exploration and Finance Review**

Stuart Ferguson - Commercial Director
IntierraRMG

1.50pm Black Range Minerals Ltd BLR

Michael Haynes - Managing Director

2.10pm Uranium Equities Ltd UEQ

Bryn Jones - Managing Director

2.30pm Toro Energy Ltd TOE

Dr Vanessa Guthrie - Managing Director

2.50pm AFTERNOON TEA**3.20pm Marmota Energy Ltd MEU**

Daniel Gray - Senior Project Geologist

3.40pm Aura Energy Ltd AEE

Dr Robert Beeson - Managing Director

4.00pm The Looming Shortage of Uranium: Trying to Watch the Hands of a Clock

Fletcher T. Newton - Principal
New World Consulting, LLC

4.20pm Energy Metals Ltd EME

Weidong (Gary) Xiang - Managing Director

4.40pm Enterprise Uranium Ltd ENU

Dermot Ryan - Director

5.00pm CONFERENCE CLOSE

11.10am **Total Water Management Business Model for Uranium & Rare Earths Projects**
John Hernage - Industrial Business Developer
Veolia Water

11.30am **Development of the Falea Uranium Project, Mali**
Dr Bob Ring - General Manager
ANSTO Minerals

11.50am **Current Resources and Possible Future Developments of Rare Earth Elements and Uranium in Queensland**
Dr Laurie Hutton - Director, Exploration Investment Promotion, Geological Survey of Queensland
Department of Natural Resources and Mines

12.10pm **Practical application of Field Portable XRF to Rare Earth Element (REE) Exploration**
Andrew Somers - Global Business Development Manager: Mining
Olympus NDT

12.30pm LUNCH

1.30pm **The Changing Face of Resource OHS Regulation in WA**
Simon Ridge - Executive Director Resources Safety Division, State Mining Engineer
Department of Mines and Petroleum

1.50pm **Safety and Health Standards in Queensland's Uranium & Rare Earths Mining Sector**
Dr Ian J. Ellison - Senior Inspector of Mines
(Chemical / Metallurgical / Radiological)
Department of Natural Resources and Mines, QLD – Mines' Safety & Health Division

2.10pm **Heap Leach Recovery of Uranium in the Western US, Past and Present with a Case Study of the Sheep Mountain Uranium Project, Fremont County, Wyoming.**
Doug Beahm PE PG - Principal Engineer and President
BRS Engineering

2.30pm **Improved Gamma Probe Logging with Examples from Kintyre**
Geoff Beckitt - Consultant

2.50pm CLOSE OF TECHNICAL AND GOVERNMENT AUDITORIUM AFTERNOON TEA
